

Gormaya Announces Version 3.1 of Conversions for iOS 7

Published on 05/12/14

Gormaya today announced that Conversions for iOS 7 has been updated to version 3.1. Conversions is a simple list of equivalent tables that are very handy when baking or cooking. US, Imperial and Metric measurements for dry, liquid, oven temperature and weight are included. Conversions has been enhanced with a list of 200+ baking ingredients to easily convert from dry cups, tablespoons, teaspoons to weight (ounces or grams). Make your baking recipes more accurate by converting cups to grams.

Grand Ledge, Michigan - Gormaya today is proud to announce that Conversions for iOS 7 has been updated to version 3.1. Conversions is a simple list of equivalent tables that are very handy when baking or cooking. US, Imperial and Metric measurements for dry, liquid, oven temperature and weight are included.

Conversions has been enhanced with a list of 200+ baking ingredients to easily convert from dry cups, tablespoons, teaspoons to weight (ounces or grams). Make your baking recipes more accurate by converting cups to grams!

Fractional math has been greatly enhanced. Conversions provides calculated answers in units you can measure with standard kitchen measuring tools. Also new is an Old Fashioned category to help you with converting your Grandmother's recipes.

Conversions is now a Universal app, designed for iPad, iPhone and iPod touch. "Our apps Conversions and Substitutions are now both Universal iOS 7 apps, bringing our customers the best possible user experience for their baking and cooking needs." said Duane Fahey, co-founder of Gormaya, LLC.

Feature Highlights:

- * iOS 7 user interface with new icons and overall "clean" look
- * Enhanced with Fractional Math Conversions
- * Universal app - enjoy on your iPad, iPhone and iPod touch.
- * Optimized for iPad Air, iPhone 5S, iPad Mini with Retina (64-bit)
- * Measurements in US, Imperial and Metric
- * Internet is not required for use

Device Requirements:

- * Designed for iPad, iPhone or iPod touch
- * Requires iOS 7 or later
- * Universal Application
- * 5.4 MB
