

## Mix Masters for iOS from Digital Magicians

Published on 05/20/14

Digital Magicians introduces Mix Masters for the iPhone, iPad and iPod touch. The game looks to add you to the mix by putting your disc jockey skills to the test. The use of quick paced reflexes are what you'll need to conquer these turn tables and a great sense of rhythm if you want to become the true Mix Master. There are two modes of play; Free Play and Arcade mode where the player competes against the computer to earn the Mix Master title.

Elmsford, New York - Digital Magicians is excited to announce the launch of their hit game, Mix Masters for the iPhone, iPad and iPod touch. Mix Masters looks to add you to the mix by putting your disc jockey skills to the test. The use of quick paced reflexes are what you'll need to conquer these turn tables and a great sense of rhythm if you want to become the true Mix Master.

Choose from two modes of game play. Free Play, where the player challenges other world players to become the true Mix Master. In the Arcade mode, the player competes against the computer to earn the Mix Master title. Mix Masters features 8 eight-character stages. Each stage is slightly harder than the next. Each character's stage plays the music of their genre, with the ultimate defeat of Mix Master.
