

Aqueous Lite 1.0 Now Available for iPhone and iPod Touch

Published on 08/01/09

Bent Pixels, LLC, today announced the release of Aqueous Lite for the Apple iPhone and iPod Touch. Create your own perfect acoustic environment that will transport you off into a state of unparalleled relaxation. Run your fingers thru the calming water, tilt your iPhone and a relaxing Water Wall transforms your day. Aqueous Lite 1.0 is available for free download on The App Store through iTunes, or through the App Store directly on the device itself.

Las Vegas, Nevada - Bent Pixels, LLC, today announced the release of Aqueous Lite for the Apple iPhone and iPod Touch. Aqueous Lite 1.0 is available for FREE download on The App Store through iTunes, or through the App Store directly on the device itself. Aqueous Lite is available in all 77 countries that The App Store services.

Run your fingers thru the calming water, tilt your iPhone and a relaxing Water Wall(C) transforms your day. Create your own perfect acoustic environment that will transport you off into a state of unparalleled relaxation. With high fidelity audio and HD quality water simulation Aqueous Lite will give you a taste of what's available in the full version of Aqueous. Aqueous Lite's high fidelity music and ambient mix is best enjoyed with headphones or speakers.

Recent User Reviews:

"This is a nice little app to create your own relaxing soundscapes - it allows you to mix together a built in collection of ambient tracks, background music or even your own iPod library tracks.."

"This App has been a great relaxation tool to bring on the road especially when spending time in hotels.."

"...such a cool app, I love it, although I have spent way too much time playing around with all the features.."

Allow this soothing application to lull you to sleep, enhance your meditation or simply dial your world down.

Feature Highlights:

- * Water Wall(C) Simulation!
- * Relaxing Water Simulation
- * Natural background settings
- * Ambient options to choose
- * Much more to explore

Minimum Requirements:

iPhone or iPod Touch 3.0 or later
