

bambooapps updates Keep Your Word - Announces Back to School Sale

Published on 08/05/09

bambooapps today announced the update of Keep Your Word for Mac OS X Leopard. Keep Your

Word is a vocabulary and flashcards cataloger and trainer for Mac and iPhone. It lets you build your own dictionary, classifying and grouping the terms exactly how you want to. Version 1.6 brings many new features, like a new study mode, new exercise mode, new grouping and classification options or a more flexible layout. Get a 50% off purchasing the app on August 7 and 8 using the coupon HAPPYANNIVERSAR.

Ma On Shan, Hong Kong - bambooapps today announced the release of Keep Your Word 1.6 for Mac OS X Leopard. This new version brings many new features:

- * New exercise mode: written test
- * New study mode: words carousel
- * More adjustable layout options

Also, bambooapps announces a Back to School sale, and offers a 50% off the application price to all the users that purchase it on August 7 and 8 using the coupon code HAPPYANNIVERSARY

Are you studying a new language? Your class notebook is an endless list of vocabulary that you have to learn? You remember that your teacher told you how to say a lot of useful things but, can you find them in your notebook?

Keep Your Word lets you build your own dictionary, classifying and grouping the terms exactly how you want to, while helping you to learn the longest list of words thanks to its different exercise modes. Keep Your Word supports all the character sets that your Mac supports, so you can write any word in the world.

Keep Your Word is designed to:

- * Let you build your own dictionary
- * Organize and classify your words
- * Find words quickly
- * Do exercises

Pricing and Availability:

Keep Your Word 1.6 costs \$24.95 (USD) and is available now. The unregistered version of Keep Your Word is fully functional, although limited to 30 days. Keep Your Word requires Mac OS X 10.5 Leopard, and runs on any Mac supported by Leopard. Keep Your Word Reader, Keep Your Word's iPhone client is a free download from the AppStore.
