

Monki Chinese Class 1.1 Released - Chinese Learning Mobile App For Kids

Published on 06/18/14

Madrid based game studio, Monkimun today introduces Monki Chinese Class 1.1 for iOS, the first free app in their new line of products "Monki Class." Monki Chinese Class was conceived to help every child learn how to trace basic Mandarin Chinese through a fun system that sustains motivation. Each word is represented by an illustration and accompanying animations and sound effects which help kids absorb the lesson. Children can play, be engaged and entertained.

Madrid, Spain - Monkimun, a game studio that designs fun language educational games for kids, today is thrilled to announce the release of Monki Chinese Class, the first free application in their new line of products "Monki Class." Monki Chinese Class was conceived to help every child learn how to trace basic Mandarin Chinese through a fun system that sustains motivation.

Each word is represented by an illustration and accompanying animations and sound effects which help kids absorb the lesson. With three levels, every word ends with interactive animations where children can play, be engaged and entertained.

Cristobal Viedma, co-founder of Monkimun, explains the idea: "In the globalized world of tomorrow learning a second language is key to improve communication as well as promoting global understanding and respecting cultural differences. With Monki Chinese Class we wanted to help kids learn basic Chinese while having fun."

Overview:

- * Free
- * Kid friendly (8+ years)
- * Tracing features with error correction and sound effects
- * 20 colourful illustrations to memorize the words
- * 20 interactive animations to play and have fun
- * Audio tracks to learn pronunciations
- * 3 levels of difficulty and tracing speeds
- * No third-party advertising

Device Requirements:

- * iPhone, iPad, and iPod touch
- * Requires iOS 4.3 or later
- * 46.6 MB
