

## **Kids Can Be The Ultimate BBQ Pitmaster With Bamba BBQ For iOS**

Published on 07/08/14

Bamba! today introduces Bamba BBQ 1.0.0, its new kid's educational title available universally for the iPhone as well as the iPad. Bamba BBQ brings with it all the exciting flavors of the BBQ experience along with wacky ingredients. Featuring an interactive interface, Bamba BBQ emulates the real life barbecue process so kids will have to chop wood, set fire to the pit and cook food. Kids are free to do what they like and serve their dish to the four wacky characters to enjoy their reaction.

Singapore - Bamba! is today extremely proud to announce the global launch of Bamba BBQ for kids. For the first time ever, one of Bamba's Apps is now available universally for the iPhone as well as the iPad. Bamba BBQ brings with it all the exciting flavors of the BBQ experience along with wacky ingredients.

Kids will enjoy spending time with Bamba BBQ. Featuring an interactive interface, Bamba BBQ emulates the real life barbecue process so kids will have to chop wood, set fire to the pit and cook food. Like other titles in the Bamba series, Bamba BBQ has no points or rewards. Kids are free to do what they like and serve their dish to the four wacky characters to enjoy their reaction.

"We are extremely pleased with the global launch of Bamba BBQ. Many of our customers were demanding that our Apps be available for the iPhone as well, and with Bamba BBQ, we decided to make things universal. We're proud that kids can now get the Bamba experience on the iPad as well as on the iPhone. Bamba BBQ falls under a whole new category of entertainment where kids can learn all about the fun experiences involved in a BBQ in an interactive way.", said John Ng, cofounder of Bamba.

As with all Bamba Apps, Bamba BBQ takes privacy extremely seriously and serves no ads or in-app purchases to provide a delightful experience for kids.
