

## **Jump Game - Available now, free for iPhone and iPad**

Published on 08/14/14

Jump on the blocks to stay alive! Indie developer, Jemma Upson today introduces Jump Game 1.1 for iOS, offering a free new addictive twist on the endless runner/jumping genre. Jump Game is fast and difficult to master and the challenge continues to ramp up the better you get. Offering simple controls, Jump Game has endless randomly generated levels where no two games are the same. The game features 4 difficulty modes, floating points, extra life bonuses and more. How long can you survive?

Sydney, Australia - Indie developer, Jemma Upson today is proud to announce the release of Jump Game 1.1 for iOS, offering a free new addictive twist on the endless runner/jumping genre. Jump Game is fast and difficult to master and the challenge continues to ramp up the better you get. Jump on the blocks to stay alive. Jump Game has endless randomly generated levels where no two games are the same. How long can you survive?

### Key Features:

- \* Endless levels with no two games the same
- \* Simple controls - tap anywhere on the screen to jump, tap and hold to jump higher
- \* Three block types including standard blocks as well as moving elevator blocks (from level 2) and slider blocks (from level 3)
- \* Floating points and extra life bonuses to grab (from level 4)
- \* 4 difficulty modes ranging from fat blocks with low points bonuses to skinny blocks with high points bonuses
- \* Insane mode starts at level 4 with skinny blocks and the difficulty already ramped up
- \* Child mode is useful for distracting small children when you need a minute of peace!
- \* Compete with friends and earn achievements via Gamecenter
- \* Access your lifetime stats via the in-game stats panel
- \* Different colour themes are available via in-app purchase
- \* Universal app - iPad version has a bigger canvas and animated blocks
- \* Pause function saves game progress even if the app is closed
