

Refill is now available for the iPad too

Published on 09/02/14

Vienna based development studio, FFWD today introduces Refill HD 1.0, its new MPG and CO2 emission logbook for iPad. Refill helps keeping a close eye on the fuel efficiency and carbon dioxide emissions of any vehicle with combustion engines. Refill offers comprehensive charts with best-in-class data visualizations. All its stored data can be exported in CSV-format. Refill HD only requires three values and with its custom designed keyboard and date picker it makes adding a receipt super fast.

Vienna, Austria - From the developer of Miles HD - The Classic Mileage Log, and Percent Mate HD - 10 in 1 Percentage Calculator, Refill helps keeping a close eye on the fuel efficiency and carbon dioxide (CO2) emissions of any vehicle with combustion engines. Refill offers comprehensive charts with best-in-class data visualizations. All its stored data can be exported in CSV-format.

Today everybody can choose from a ton of fuel economy calculators, but what makes Refill HD so special is the vertical scroll view for each fill up, summarizing all important calculations in one place. It even shows your carbon dioxide emissions.

Suitable Around the World, for All Units:

- * Fuel Types: Gasoline, Diesel or CNG
- * Measuring Units: mi or km
- * Volume: Liter or Gallons
- * Consumption Calculations: MPG uk, MPG us, L/100km, km/L
- * CO2-Emission: g/km CO2 (international standard)

The Swiss Army Knife of Fuel Economy - Refill calculates the following data:

- * Fuel economy (MPG uk, MPG us, L/100km, km/L)
- * Trend development of fuel efficiency
- * Volume of last fill up (in gallons or liter)
- * Distance in km or mi
- * Price per liter/gallon
- * Price change in comparison to last fill up
- * Price trend of fuel price
- * CO2-emissions
- * Trend development of CO2-emissions
- * Days since last fill up
- * Total costs/expenses

Refill is ready for all the iPads Apple has to offer today - and even later models - including even non-retina iPads. The minimum operating system requirement includes even iOS 4.3. Best of all, it's even economical to use. Refill HD only requires three values and with its custom designed keyboard and date picker it makes adding a receipt super fast.

Device Requirements:

- * Compatible with iPad
- * Requires iOS 4.3 or later
- * 20.5 MB

Pricing and Availability:

Refill HD 1.0 is 10.99 USD (or equivalent amount in other currencies) and available worldwide exclusively through the App Store in the Finance category.
