Concord, California - TechRestore, the proven leader in Overnight repair services for Apple MacBook, MacBook Pro, PowerBook and iBook laptops as well as iPhone, iPod and Sony

PSP systems announced today that they have begun offering nationwide repairs for their customers located in Canada. The TechRestore Canada repair center is now open for business and repairs are coming in daily from all areas of Canada. Repairs are completed within 24-hours of receipt to their repair center, located in Abbotsford, B.C. The new TechRestore Canada repair center is staffed with Apple Certified technicians that have been helping customers with their repair skills for years.

"TechRestore has performed tens of thousands of overnight repairs for our customers in the United States," said Shannon Jean, Founder and President of TechRestore, Inc. "We have a very loyal following in Canada and we are excited to be able to offer our clients a fast, easy and trusted repair solution for their Mac, iPhone, iPod and PSP repairs from within their own country, with no customs hassles or extended shipping delays."

TechRestore Canada is accepting repairs immediately and is fully staffed with certified technicians that are performing repairs on all models of Mac laptops, iPods, iPhones and Sony PSP gaming systems.

"We are thrilled to bring TechRestore's unique service to a Canadian audience," said Aaron Attwater, General Manager for TechRestore Canada. "We love Apple products and being Apple users ourselves, we enjoy being able to breath new life back into them so that our clients can continue to enjoy them. We're committed to the same level of service and practices used at TechRestore USA and we look forward to helping you with your next repair."

Canadian repairs can be scheduled online at the TechRestore Canada website or by calling 1-888-384-5613. Thank you for taking a few minutes to learn about TechRestore! We appreciate it.
