

Ride For Mother Russia for Free on your iPhone

Published on 10/06/14

Baba Zima Games announces their new endless runner game, Ride for Mother Russia for iOS devices. Enter the cold world of mother Russia and race your way to the Kremlin. The player needs to consider obstacles on the road and in the sky in order to get their high score. Money is also obtained which allows the player to purchase other oldschool vehicles. We all have an image in mind when we think of Soviet-era Russia. But have you ever thought of all the amazing cars that era produced?

Rotterdam, Netherlands - Enter the cold world of mother Russia and race your way to the Kremlin. Baba Zima Games is pleased to introduce Ride for Mother Russia for iOS devices. We all have an image in mind when we think of Soviet-era Russia; cold and harsh winters, The Perestroika, food rations, The Cold War and lots and lots of vodka. But have you ever thought of all the amazing cars that era has produced?

Discover the cold world of Moscow's surroundings and get to choose from many different Soviet vehicles, all reminiscent and representative of a time that's part of Russia's long history. Step into your oldschool Soviet Union vehicle and race your way to Mother Russia to make it in time for Gorbatsjov's private party in The Kremlin. Download this game now.

Ride for Mother Russia is a challenging endless runner that increases in difficulty quickly. The player needs to consider obstacles on the road and in the sky in order to get their high score. With the highscore(s) money is also obtained which allows the player to purchase other oldschool vehicles. The goal of this game is to bring you back to the good old days of consoling whenever you have a few minutes to spare. Ride For Mother Russia is now available for Free in the Apple App Store for the iPhone.
