

## **Packing Pro 10.1 Update Adds Support for iOS 8 and iPhone 6**

Published on 10/09/14

QuinnScape today announces Packing Pro 10.1, an update to their popular travel app for iOS devices. Packing Pro is a mobile packing app that features unlimited, 100% customizable packing lists, an extensive catalog and more. This update is all about iOS 8 and the new iPhone 6 and iPhone 6 Plus. The added screen real estate that both iPhones possess enables more list to be displayed at any one time, and a larger keyboard with predictive text makes item entry and editing even easier than before.

Taipei, Taiwan - Packing Pro, the popular travel app for the iPhone, iPad & iPod touch by QuinnScape, announces the release of version 10.1. This update is all about iOS 8 and the new iPhone 6 and iPhone 6 Plus. The added screen real estate that both iPhones possess enables more list to be displayed at any one time, and a larger keyboard with predictive text makes item entry and editing even easier than before. Several important functions were also adjusted to work well with iOS 8, as well as continue to support devices still running iOS 7 and 6.

During the five years that Packing Pro has been on the App Store, it has been highlighted several times, including the current "Travel Companions," "Travel Survival Kit" and "Overseas Travel" promotions. It has also ranked at #1 for iPads and #2 for iPhones in the U.S. App Store's Travel section. Besides Apple, Packing Pro has also been recognized by CNN, WSJ, BBC, The New York Times, Expedia and Budget Travel, and has earned glowing reviews on major tech and app blogs (Gizmodo, Mashable, Macworld, CNET, TUAW and iPhone Life, among others).

Packing Pro is a mobile packing app that features unlimited, 100% customizable packing lists, an extensive, yet flexible, catalog and handy sample lists that can be used as templates. A host of special functions include:

- \* Multi-item selection from catalog for speedy list building
- \* Multi-item editing for easy list & catalog management
- \* Collapsible categories with floating headers & running item tallies
- \* List sorting & filtering by bag and/or person
- \* Item, weight and value totals & subtotals
- \* Item images to eliminate any confusion - never again pack the wrong item
- \* Item & list alerts for user-set reminders
- \* Email export for file sharing
- \* Wireless printing
- \* Fully customized device support for all sizes of iPhone, iPod touch & iPad
- \* Full multi-lingual support for English, Spanish, French, German, Italian, Portuguese, Russian, Polish, Japanese & Chinese

Besides the core features listed above (which are also present in the basic Packing (+TO DO!) app), Packing Pro also gives its users the following Pro-level features:

- \* iCloud auto-syncing support
- \* Expert packing list wizard that can "automatically" create a list
- \* iTunes & email file sharing, backup & out-of-app editing support
- \* Customized design (themes, layout, fonts, colors, textures)
- \* Double-sized Master Catalog with over 800 items and to-do tasks
- \* Twice as many sample lists
- \* Smart Search

With update 10.1, Packing Pro continues to move forward to support all the latest devices
