

## Finger Rodeo - Free iOS Game

Published on 11/04/14

Eerie Studios today announces the release and immediate availability of Finger Rodeo for iOS. Finger Rodeo is free and available on all iOS devices running iOS 7 or later. The basic idea behind Finger Rodeo is to keep your finger inside a circle that constantly moves, rotates and changes size and speed. It is simple enough to attract younger players, but equally fun for older folk. Finger Rodeo is a simple game, but it has been perfected from audio and graphics to the core gameplay.

Kokkola, Finland - Eerie Studios and Didstopia today have announced that Finger Rodeo for iOS is now available for free on the iOS App Store for all iOS devices running iOS 7 or later. Finger Rodeo has simple but addicting one-touch gameplay and is suitable for both a younger and an older audience, while it also maintains difficulty by providing different difficulty levels and increasing the size, speed and rotation of the circle that you must stay inside of.

Test your reflexes, be carefully not to blink and battle against other people using either the global leaderboards, or by sharing a recorded gameplay of your amazing score with the rest of the world.
