Rock Zombie, the addictive and colorful beat 'em up of Nintendo Wii U and Steam comes to the iOS App Store. Rock Zombie combines classic gameplay from the Arcade Golden Age with colorful 3D graphics. Featuring 20 levels filled with addictive action, players will fight all kinds of enemies, ride motorbikes, drive cars and much more.

Madrid, Spain - Quaternion Studio today is proud to announce the release and immediate availability of Rock Zombie 1.0, its new game title for iPhone and iPad. Rock Zombie, the addictive and colorful beat 'em up of Nintendo Wii U and Steam comes to the iOS App Store. What would happen if a concert of a female rock band was invaded by a horde of zombies? The answer to that question can be found in this videogame which combines classic gameplay from the Arcade Golden Age with colorful 3D graphics. Zombies, Metal head girls, good music and addictive gameplay are waiting for you in this game.

### Features:

- \* 20 levels filled with addictive action where you will fight all kinds of enemies, ride motorbikes, drive cars and much more
- \* A terrifying story told through 300 comic strips inserted between the action sections of the game
- \* Three awesome characters to choose from: Zoe, Sasha, and Crystal
- \* A wide range of weapons, costumes and concept art, and loads of unlockable collectible material at the Zombie Museum
- \* An OST that combines Hard Rock, Nu Metal and Alt Rock that will immerse you into a really dark and rainy urban atmosphere
- \* Game Center integration

### Device Requirements:

- \* iPhone 5, iPad 3 or newer devices
- \* iOS 7 or later
- \* 354 MB

### Pricing and Availability:

Rock Zombie 1.0 is available worldwide on the App Store in the Games category. It is offered for free to let you try the first two levels. If you want to unlock the full game you only have to pay an unique in-app purchase of \$2.99 (USD). Forget microtransactions and paid progress, this game is a premium experience with a free demo of two levels.

Q  
games. I am fighting to create good games and be able to increase the members of the team to create better games each time. The vision of the studio is to create small but fun games with very polished gameplay for Nintendo Wii U, Steam, iOS, Android and Ouya.
