

Best Gin Rummy Card Game for iOS - iPhone, iPad and iPod touch

Published on 11/18/14

Kuralsoft has announced Best Gin Rummy 3.1 for iOS, based on a popular two-payer card game, adapted into the touch-screen era. The objective of this game to score 100 points before your opponent does. The opponent player is crafted using sophisticated Artificial Intelligence; simply, it plays like a human. Best Gin Rummy features Apple's Game Center; the leader boards can be viewed within the daily, weekly and all-time overall scores. This adds a new dimension to worldwide social gaming.

Mountain View, California - Kuralsoft has announced the Best Gin Rummy 3.1 for iOS (iPhone, iPad and iPod touch). Best Gin Rummy is Free and available worldwide exclusively through the App Store in the Games category. Best Gin Rummy is based on a popular two-payer card game, adapted into the touch-screen era through aesthetic game layouts, animations, graphics and sound effects. The opponent player is crafted using sophisticated Artificial Intelligence (AI); simply, it plays like a human!

The objective of this game to score 100 points before your opponent does. The basic strategy is to improve one's hand by forming melds and eliminating deadwood.

Best Gin Rummy features Apple's Game Center, the leader boards can be viewed within the daily, weekly and all-time overall scores. This adds a new dimension to worldwide social gaming. Also supports online and offline gaming experience. Offline scores are accumulated and added to online score when the player sign in back to Game Center.
