

## Rugby Nations 15 out now on iOS and Android

Published on 11/20/14

Distinctive Games today introduces Rugby Nations 15 (v1.0.0), its new game title for iOS and Android devices. Rugby Nations 15 takes your rookie player through the ranks of the sport from bottom tier clubs right through to international rugby stardom. Challenges include Autumn Internationals, 50 teams from around the world and top tournaments with Rugby Nations social integration for plugging into the world of rugby 24/7. RN15 features improved AI, graphics and audio and a brand new Career Mode.

Sheffield, United Kingdom - Rugby union is sure to be in the headlines during 2015 and what better time to refresh your knowledge of the game and skills with a ball than now... with the best darn rugby game on smart devices? Out on Google Play Store and iOS App Store, Rugby Nations 15 (RN15) is set to once again raise the bar for mobile sports games. Now featuring a brand new Career Mode, you can build up your player from the earliest matches right through to the top tier leagues.

Optimised for small screens, you can take your favourite sport anywhere, on your smartphone or tablet. Play Rugby Nations 15 on the train, in a coffee shop or waiting for your turn at the post office... the best part is, no mud! There's also loads of improved game AI, new teams and updated player/team stats, better sound and graphics and new weather effects, on top of the massive career mode, you'll believe you're right there on the pitch, feeling every tackle, every conversion and every try. The menu system has been overhauled to make it easier to use, and enhanced instant replays mean you never miss a moment!

Nigel Little, Managing Director says: "I'm really proud of what the team have been able to do for rugby on mobile. Rugby Nations 15 not only looks amazing, the improved AI and career mode push the boundaries of mobile sports games."
