

Holiday Gaming is Here, as Christmas Cookieland Hits The App Store

Published on 12/01/14

Indie app developer, Rory Buckley today introduces Christmas Cookieland 1.0, a fun holiday themed matching puzzle game for iOS devices. In true advent calendar style, the Cookieland map comes with 24 uniquely designed levels. This finishes with the 'almost impossible' gingerbread house. There are competitive Game Center leaderboards for each level. With Christmas almost here, Christmas Cookieland boasts many festive features that aim to give the user a fun & addictive holiday gaming experience.

Devon, United Kingdom - App developer, Rory Buckley today announced the worldwide release of Christmas Cookieland in the iOS App Store. Christmas Cookieland is a fun holiday themed matching puzzle game. With Christmas almost here, Christmas Cookieland boasts many festive features that aim to give the user a fun & addictive holiday gaming experience.

This brand new launch presents an exciting and addictive gaming experience where you will experience fun challenges & encounter some delicious Christmas cookies. As you progress past each level, the next level will be unlocked for you on the Cookieland map. Overview of the games features:

- * In true advent calendar style, the Cookieland map comes with 24 uniquely designed levels. This finishes with the 'almost impossible' gingerbread house (level 24).
- * The more advanced levels will require a little bit of Christmas magic & lots of matching bonuses in order for you to meet your target score & progress to the next stage.
- * A quick and easy social sharing option. This allows you to share your game progress with your Twitter and Facebook followers.
- * Competitive Game Center leaderboards for each level.

"I'm very excited about giving the players a very festive and fun experience," said Rory Buckley, creator and developer. "Christmas Cookieland was developed to give the player a perfect balance of gaming entertainment combined with a true holiday feel. This was achieved by taking traditional 'match 3' game elements & blending them together with a variety of Christmas themed graphics and music. I hope for it to be the typical 'December game' that'll actively be present on many users devices throughout this special time of year."

Christmas Cookieland will aim to be your perfect holiday companion. play the game, match and crunch some seasonal cookies, while listening to some catchy holiday background music. The game is available worldwide from today (December 1st 2014).

Device Requirements:

- * iPhone, iPad, and iPod touch
- * Requires iOS 7.1 or later
- * 48.6 MB

Pricing and Availability:

Christmas Cookieland 1.0 is only \$0.99 USD (or equivalent amount in other currencies) and available worldwide exclusively through the App Store in the Games category.
