123 Kids Fun Apps re-releases 123 Kids Fun Christmas Tree for iPhone and iPad, a Christmas tree designing app that children will find incredibly fun. 123 Kids Fun Christmas Tree features 6 different trees to decorate, with over 160 accessories to decorate your tree. There are options to personalize your tree with both picture frame bulbs and personalized messages, with the option to either save your tree as well as send it as a e-greetings card.

Warsaw, Poland - 123 Kids Fun Apps re-released 123 Kids Fun Christmas Tree for iPhone and iPad. Simply put, 123 Kids Fun Christmas Tree is a Christmas tree designing app that children will find incredibly fun. Every year, parents and children decorate their Christmas trees together; each tree decorated in its own unique way. 123 Kids Fun Christmas tree is about giving small children this feeling.

123 Kids Fun Christmas Tree has 6 different trees to decorate, over 160 accessories to decorate your tree, the options to personalize your tree with both picture frame bulbs and personalized messages, and the options to either save your tree and send it as a e-greetings card. However, the feature I like most about this app is that for every day in December, and right up to Christmas eve, the app presents a new ornament in the form of a present to the user. These gifts will be updated every year, giving your child something to look forward to everyday of the Christmas season this year, and many years to come.

With one of the largest, and growing, sets of pre-installed accessories in its class, dozens of charming animations and sounds, and an easy to use and intuitive navigation and interface system, 123 Kids Fun Christmas Tree is the perfect Christmas tree designing application that will keep kids and adults entertained and in the season spirit for holiday seasons to come.
