

Kavapoint Giving Away Apps to Students

Published on 08/31/09

Kavapoint LLC has announced that they will be giving out the following iPhone apps for free to students who have iPhones. The promotion will last until September 20th or until Kavapoint runs out of promotion codes. Abilene Christian University and many other universities have recently started to give out iPhone devices to their students. As a result, the company wanted to make sure students had the opportunity to get these important apps for free.

Sunnyvale, California - Kavapoint LLC has announced that they will be giving out the following iPhone apps for free to students who have iPhones. The promotion will last until September 20th or until Kavapoint runs out of promotion codes. Abilene Christian University (ACU) and many other universities have recently started to give out iPhone devices to their students. As a result, the company wanted to make sure students had the opportunity to get these important apps for free.

- * Daily Bible Verses
- * iEmergency LITE and iEmergency
- * Lost n Found LITE
- * Batteryinfo

iEmergency and iEmergencyLITE are one of the most downloaded "In Case of Emergency" medical apps downloaded on the Apple app store. 115 million people visit the Emergency Room every year. Majority of students do not carry the correct identification necessary while they are away from home. These two apps will help in this problem.

Daily Bible Verses will be beneficial for Christian students at Abilene Christian University and other christian students at other universities.

Batteryinfo gives estimates on the iPhone battery usage and is useful for any student who uses may need to know how much longer their battery life may last

Lost n Found LITE is a simple utility that helps students recover a lost phone. Any student that has lost a phone will see the value in this app.

Availability:
These apps are available on the iTunes app store.
