Montreal, Quebec, Canada - Behaviour Interactive, the largest independent video game development studio in Canada, is pleased to announce the release of Pro Feel Golf, the most realistic and easy to play golf game ever created for iPhone and iPad. Pro Feel Golf brings a fresh approach to mobile golf games with unique and innovative controls that allow accurate and realistic swings and putts. With only a single finger, you can compete to become a golf champion! With the latest mobile and touch technologies, seamlessly embedded social features, and innovative controls, this golf simulation is the perfect companion for golf enthusiasts.

"Most of the golf games available on mobile don't realistically convey the feeling of playing live golf. With Pro Feel Golf, we wanted to create a very realistic golf game that will please golf fans around the world," said Jimmy Gendron, VP Mobile Publishing. "We also worked very hard on the controls to make Pro Feel Golf the most instinctive and easy to play golf game on a touch screen."

### About Pro Feel Golf:

Pro Feel Golf takes the golf simulation genre in a new direction, delivering revolutionary controls, cutting-edge social features and a fresh, contemporary style that opens golf gaming up to a wide new audience of casual and experienced golf fans! Built exclusively for touch screens, Pro Feel Golf's innovative "one hand" control scheme replicates the real -world actions of golf in a simplistic way never experienced before. The game's portrait view and seamlessly embedded social features makes Pro Feel Golf the perfect companion for all golf fans.
