Donetsk, Ukraine - Boolat Mobile, the division of an independent game development company Boolat Games is pleased to announce the release of Sea Spooney, an arcade/family game for iPhone and iPod Touch. This cute and captivating game is now available at the Apple App Store and invites players to explore a world full of exciting adventures.

Using wonderful capabilities of you powerful handsets, you will have an opportunity to join a brave Pirate and help him to search the island safe and sound, in spite of danger waiting for him at every step. A terrible monster broke to pieces his sailing ship on deep waters of the majestic Caribbean Sea, but our smart hero met danger with assurance. Now he tries not to be caught by the sharks, reach the coast and get a lot of presents from a beautiful Mermaid.

You'll love this nice and funny game for players of all ages with charming, attractive and smart characters. 20 challenging levels designed in unusually funny cartoon style provide you endless fun and a lot of unforgettable moments. Passing them you'll have a wonderful opportunity to test and improve your reaction and coordination. Try to catch little fishes over nice dolphins and squids over unfriendly sharks for more points.

User-friendly control will help you to overcome all obstacles, barring the way to saving island, and come off clear. The game's simple and comfortable interface, rich graphics, professionally produced artwork and sound effects offer an exhilarating experience to iPhone users. It's surprisingly addictive and requires more time and skill than is apparent at first sight.
