

## String Toys for iPad Releases to the App Store

Published on 02/26/15

Big Monk Games today introduces Cat Games String Toys 1.0 for iPad, a cute, fun-to-play game for cats and kittens. Stimulate your cat with these cat string games on your iPad. The best toys for cats have always been, yarn, feather teasers, and just plain string. But those can be dangerous if your cat is unsupervised, so Big Monk Games created a safe digital version. For the price of a cheap catnip based toy you can have an app that will entertain your cat for long into the future.

Clifton Park, New York - From the Creators of the hit game "Cat Games" for iPad, Kitty Korner Pick for The Week Touch - Arcade Show #14. Big Monk Games today is proud to announce the release of Cat Games String Toys 1.0 for iPad, a cute, fun-to-play game for cats and kittens. Stimulate your cat with these cat string games on your iPad.

The best toys for cats have always been, yarn, feather teasers, and just plain string. But those can be dangerous if your cat is unsupervised so Big Monk Games created a safe digital version. Cats, in particular "indoor" cats, crave stimulation of their hunting instincts. For the price of a cheap catnip based toy you can have an app that will entertain your cat for long into the future.

### Features:

- \* 9 variety of string toys for cats to play
- \* Fun for the whole family (Get the kids involved)
- \* Worldwide availability within the App Store
- \* Physics enabled string toys

"We researched colors and movements that cats are attracted to," explained Michael Cozzolino, founder of Big Monk Games. "Cats have a limited color range that they can see and we tried to incorporate that color range in this app where possible."

### Device Requirements:

- \* iPad 1st Generation or later
- \* Requires iOS 7.0 or higher
- \* 33.5 MB

### Pricing and Availability:

Cat Games String Toys 1.0 is only \$0.99 USD (or equivalent amount in other currencies) and available worldwide exclusively through the App Store in the Entertainment category.
