Chicago, Illinois - Davka Corporation today is thrilled to announce the release and immediate availability of Torah Library 1.0, their new reference app for iPhone, iPad, and iPod touch. Torah Library is a powerful app that presents five thousand years of Jewish tradition in the palm of one's hand. Torah Library enables users to search a vast collection of classic Hebrew texts in seconds, quickly locate relevant results, and view full texts instantly.

Torah Library contains a wide assortment of the major texts of Judaism, including the Bible and commentaries, Jewish law, the Mishnah and Talmud - the central texts of rabbinic Judaism- the Zohar - the primary work of Jewish mysticism - and many others. Additional texts can be purchased within the app.

Users can search through the entire library in an instant, or restrict their search to specific books. When browsing texts, a secondary window can be opened for viewing complementary texts and commentaries.

In addition to the app's search capabilities, users can browse volumes and study the texts, and bookmark, copy and email selections for future reference. Torah Library is ideal for rabbis, scholars, and students - for anyone that needs quick, on-the-go access to the world of Jewish law and lore.
