

Kitty Mini Adventure for iOS blends elements of RPG and endless runners

Published on 04/01/15

California based Pulse Code today introduces Kitty Mini Adventure 1.02, its new casual game title for iOS devices. Made for kids of all ages, Kitty Mini Adventure is an easy, non-violent game that takes you on a journey of discovery and skill building. Jump your way through time and space in a delightful game that blends basic role playing game elements such as experience and skills with an endless runner. Get experience, gain levels, and learn new skills like double jump and flying.

Trabuco Canyon, California - Pulse Code today is pleased to announce the release and immediate availability of Kitty Mini Adventure 1.02 for iOS, a casual game that blends basic role playing game elements such as experience and skills with an endless runner. Jump your way through a colorful and mysterious world to find the one item you have been searching for. Can you reach the ultimate goal?

On its surface, Kitty Mini Adventure is very simple and kid friendly. The game shows its depth as you unlock skills and new areas as you play and gain experience points. New skills such as flying allow you to get further into the game. Every time you play, you add to your experience without the frustration of starting from the beginning.

Features:

- * Addictive gameplay
- * No ads
- * No buttons that take you out of the app
- * No in-app purchases
- * Retro 8 bit graphics
- * Retro 8 bit sound
- * Easy one touch game play
- * Simple design

Kitty Mini Adventure was created with children and parents in mind. Children will have fun playing the game and parents will not have to worry because there are no in-app purchases or advertisements that can accidentally be tapped by small hands.

Device Requirements:

- * iPhone, iPad, and iPod touch
- * Requires iOS 6 or later
- * 16.0 MB
