

DataMind Srl announces Jade Plugin 1.0.0 for Adobe Photoshop

Published on 09/10/09

DataMind Srl today announced Jade Plugin 1.0.0, their digital image processing plugin for Adobe Photoshop. Jade Plugin uses the same identical algorithms and parameters as DataMind's highly acclaimed digital image processing application, Jade 1.3.3. Implementing state-of-the-art algorithms to enhance color, contrast and dynamic range, Jade Plugin is an easy-to-use image enhancement tool that will automatically improve digital images directly in Adobe Photoshop.

Udine, Italy - DataMind Srl today announced Jade Plugin 1.0.0, their digital image processing plugin for Adobe Photoshop. Jade Plugin uses the same identical algorithms and parameters as DataMind's highly acclaimed digital image processing application, Jade 1.3.3. Implementing state-of-the-art algorithms to enhance color, contrast and dynamic range, Jade Plugin is an easy-to-use image enhancement tool that will automatically improve digital images directly in Adobe Photoshop.

It has never been so easy to significantly improve digital images in Adobe Photoshop. Just load them in Jade, click a button and save the result. Jade will use its proprietary algorithms to enhance color, contrast and dynamics, while preserving the overall quality of the images. In addition, Jade also provides manual controls to fine-tune intensity values, the contrast of the image and the colour correction for unbalanced images.

Feature highlights include:

- * One-Button Automatic Image Enhancement
- * Fine-tune Intensity Values, Contrast and Colour Correction for unbalanced images

Minimum Requirements:

- * Mac OS X Version 10.5 (Leopard) or higher
- * Universal Binary for PowerPC and Intel
- * Adobe Photoshop CS3 or later
- * 5.0 MB Hard Drive space

Pricing and Availability:

Jade Plugin 1.0.0 is offered in both CS3 and CS4 version, and is available as a full-featured 30 day demo. Jade Plugin price is 49.99 Euro. A discount is offered to customers who have purchased a Jade 1.x application license.
