cb innovations today announces the cb Softcase, one of the most luxurious smartphone cases for the Apple iPhone and Samsung Galaxy. In order to assure the highest level of quality, each leather case is made by hand. The inner lining made out of the innovative cb Microfiber beds the smartphone in a velvety cushion that doubles as a screen cleaner. The new cb Softcase comes in two editions: Classic Edition and Gold Edition. The cb Softcase is ready for pre-reservation now.

Baden-Baden, Germany - Today, cb innovations announces one of the most luxurious smartphone cases: The handmade leather sleeve cb Softcase for the Apple iPhone and Samsung Galaxy. Now it is ready for pre-reservation without obligation. The innovative development of a classic leather case for smartphones in the focus of cb innovations, was already prior to the development of this unique protective case for the iPhone and Samsung Galaxy. The result is the luxurious cb Softcase in first-class processing and finest Italian premium calf leather. A combination of innovative, sustainable materials and 935 Sterling silver.

In order to assure the highest level of quality, each leather case is made by hand. The inner lining made out of the innovative cb Microfiber beds the smartphone in a velvety cushion that doubles as a screen cleaner. The new cb Softcase comes in two editions: Classic Edition and Gold Edition:

* The Classic Edition comes with 935 sterling silver and in trendy leather colors as Black Night, Happy Orange, Caramel Lion and Cherry Love.

* The Gold Edition cannot be compared to anything else for one simple reason: there's nothing else quite like it. The hand-polished 750 (18 Karat) fine gold is a truly royal expression of style. Each button gets founded from a specially formulated alloy by our metallurgists. This special alloy combines shades of gold from yellow gold to rose gold in a unique masterpiece. It is available in two colors Royal Lion and Royal Ocean, and are only produced in a limited run of 500 pieces.

Pricing and Availability:

The cb Softcase is ready for pre-reservation without obligation to reduce possible waiting time. The expected shipping will be in May 2015 for Classic Edition and June for the Gold Edition. The Classic Edition is priced \$175.00 and the Gold Edition is \$950.00 (USD). The cb Softcase comes at first for Apple iPhone 5/5s and the iPhone 6. The iPhone 6 Plus as well as Samsung Galaxy S5, S6 and S6 Edge will be supported in Summer.

cb innovations is a German company that publishes exclusive mobile products and luxury accessories. The business model is based on innovation and was founded from a love for technological progress and great design. Being a creative pioneer in our field, we marry advanced technology with great design. Our timeless products prove that we don't follow trends, and on the contrary, the products we make reflect character and a passion for great design. By raising the bar of innovation while getting back to the roots of simple, yet effective design, we create a symbol for quality and the key to great emotion. We use our time to innovate development, support brave ideas and fulfill visions. While doing that, we continually question, simplify and optimize our technologies, work flows and materials.
