Shanghai, China - Haypi Adventure? Kingdom of Glory is a war strategic MMO based on the Age of Discovery. It offers an amazing journey through oceans and lands. The animations and sounds are extremely realistic. The developer Haypi has just released a new update of this super entertaining iOS game. Version 1.4.1 offers further improvements that make the gameplay even more fun.

Haypi Adventure features vividly animated ships, facilities and technologies, as well as lots of multiplayer interaction. The game has an alliance feature, which allows players from all over the world to combine their powers and rule the world together as a team. In the new version 1.4.1 alliances can now compete with each other, in order to find out which team is the best. The Alliance Tournery system has been introduced to the game. The leaders will be awarded with honors and powerful crystals, including the most precious and rarest Citrines! The Crystal cellar interface has been optimized in the new version.
