

Macgo Spring Promotion 2015 - Macgo Blu-ray Suite Discounted

Published on 05/22/15

Macgo is in the middle of its Spring Promotion 2015, offering a store-wide 54% off discount, which runs till the end of May. Macgo is delivering its best application - Macgo Blu-ray Player - to people who are really into Blu-ray, which has gained so much popularity among people who prefer high definition viewing, at a huge discount. This promotion provides free products as well, including Macgo Free iPhone Cleaner, and Macgo Free iPhone Explorer, both offer Mac and PC versions.

Hong Kong - Macgo has launched its Spring Promotion 2015 that includes a store-wide 54% off discount, which runs till the end of May. Macgo is delivering its best work - Macgo Blu-ray Player to people who are really into Blu-ray, which has gained so much popularity among people who prefer high definition viewing. This promotion provides free products as well, such as Macgo Free iPhone Cleaner(Original: \$39.95), and Macgo Free iPhone Explorer, both offer Mac and PC versions.

Macgo Blu-ray Player is a leading line in the industry and supports Blu-ray Disc, Blu-ray Menu, Blu-ray ISO files, and BDMV folder. Playing other media formats, like .MP4, .MOV, .AVI, and .FLV is free. With the advancement of video technology, Macgo Blu-ray Player has worked hard and finally made 4K UHD videos playable on this software, also with its DTS 5.1 stereo system, providing users with a better audio experience. Macgo Blu-ray Player is now offering a 50% discount to make hardware acceleration function better.

This promotion provides free products as well, such as Macgo Free iPhone Cleaner (Originally: \$39.95), and Macgo Free iPhone Explorer, both are available in Mac and PC versions. Macgo Free iPhone Cleaner is a cleaning utility for iPhone, iPad and iPod touch.

Macgo Free iPhone Cleaner is a cleaning utility for iPhone, iPad and iPod touch. It helps protect your personal information. After its last update, Macgo Free iPhone Cleaner has improved its scanning speed by four times to save more time for users. Macgo Free iPhone Explorer is another effective tool to help users better manage their App files and System files like importing or exporting music and videos between a computer and an iOS device.
