

Terminal Velocity 20th Anniversary Edition Released for iOS

Published on 06/06/15

Trebuchet Entertainment LLC announces the release of Terminal Velocity 20th Anniversary Edition for iOS, a port of the classic Terminal Velocity PC game to iOS devices. Terminal Velocity has players take control of the TV-202 starship to attack alien planets that have waged war on earth. Featuring fast texture-mapped 3D flight with full 360-degree movement, plus 7 destructive weapons and power-ups. The game includes touchscreen controls, and wireless controllers.

Dallas, Texas - Trebuchet Entertainment LLC is proud to announce the release and immediate availability of Terminal Velocity 20th Anniversary Edition for iOS. The game is a port of the classic Terminal Velocity PC game to iPhone and iPad. Terminal Velocity has players take control of the TV-202 starship to attack alien planets that have waged war on earth. The original Terminal Velocity's great controls have been adapted to the touchscreens of modern mobile platforms with no loss of responsiveness. If you're a hardcore arcade player that loves a joystick in their hand, Terminal Velocity also works with all supported wireless controllers.

Features:

- * All-rounder: Fast texture-mapped 3D flight with full 360-degree movement
- * On Top of the World: 9 totally unique planets, with 3 levels per planet, and dozens of tunnels and over 400,000 sq. miles of terrain
- * Shock and Awesome: 7 destructive weapons, power-ups and incredible air-to-air and air-to-ground combat
- * Flight School: Enemy ships cast translucent shadows, bank, roll, do loops, make suicide runs and more
- * Controller Support: Supports mobile device game controllers

"As for the Gameplay, it's clean and sharp with comfortable controls, making your ship feel very responsive." - Amazon Review

"All told, Terminal Velocity is the proverbial quick fix." - Gamespot review for original Terminal Velocity for PC

Device Requirements:

- * iPhone, iPad, and iPod touch
- * Optimized for iPhone 5, iPhone 6, and iPhone 6 Plus
- * Requires iOS 7.0 or later
- * 70.2 MB

Pricing and Availability:

Terminal Velocity 20th Anniversary Edition 1.01 is \$2.99, and available worldwide through the App Store in the Entertainment category. An Android version is available through the Google Play store.
