New Delhi, India - Independent developer, Mohit Singh is delighted to announce the release of Quotes Alarm 1.0, a beautiful alarm app for iOS devices that wakes users up with, and allows them to browse, amazing picture quotes! This app is serious about happiness, it has just one goal, one purpose and that is - making people happy! Quotes Alarm will not only wake users at the right time but also make sure that they jumpstart their day pumped up with the awaited motivation in their life!

The app is full of beautiful picture quotes and assorted powerful sayings that will inspire you to do more in life, help you fight everyday hurdles (big or small) and help you fulfill all your desires. Every day you'll be presented with a fresh new picture quote that you would have never seen before. This will act as the daily dose of happiness and motivation in your life, which you'll soon get addicted to!

The moment you view your first quote, you may start craving for more. You need not worry Quotes Alarm has the "Random Quotes" section where you'll find lots of picture quotes. Quote of the day quotes never appear in the "Random Quotes" section and thus, you'll receive a fresh unique quote every single day of your life.

As these picture quotes are especially hand crafted keeping the user in mind, you'll definitely love them and want to share with friends and relatives. Share these quotes on Facebook and Twitter directly from within the app. Want more? Hit the share button to grab the picture quote and then paste in any app you want.

### Features:

- \* Quote of the Day! - Every day users are presented with a fresh new picture quote that they would have never seen before. A daily doze of happiness and motivation, which they'll soon get addicted to!
