

CS Odessa Announces 25 Typical Orgcharts Solution for ConceptDraw PRO

Published on 09/01/15

CS Odessa today announces a new solution to assist users to build powerful organizational chart structures. The 25 Typical Orgcharts Solution contains many predesigned samples and vector shape libraries which contain the necessary icons you need to effectively illustrate an organizational structure chart. The new addition to the ConceptDraw Solution Park are for current users of ConceptDraw PRO v10, the latest business graphics and diagramming edition of the powerful ConceptDraw product line.

San Jose, California - CS Odessa releases new solution to assist users to build powerful organizational chart structures. The new solution for ConceptDraw PRO v10 provides individuals with extensive new libraries and objects to assist in organizational chart construction. Samples and libraries in the new Solution provide powerful assistance in building descriptive orgcharts.

Inside the 25 Typical Orgcharts Solution for ConceptDraw PRO, you will find twenty-five organizational templates, which allow you to depict a wide array of organizational structure types - and to represent any matrix organization structure, functional organizational structure, or business structure. The 25 Typical Orgcharts Solution contains many predesigned samples and vector shape libraries which contain the necessary icons you need to effectively illustrate an organizational structure chart. The 25 Typical Orgchart Solution for ConceptDraw PRO is a paid solution (\$25 USD).

The ConceptDraw product line is known for constantly adding value to its products. These new additions to the ConceptDraw Solution Park are for current users of ConceptDraw PRO v10, our latest business graphics and diagramming edition of the powerful ConceptDraw product line. ConceptDraw PRO is compatible with Apple OS X and Microsoft Windows. ConceptDraw PRO retails for \$199 USD. ConceptDraw PRO v10 is now included in ConceptDraw Office v3 which retails for \$499 USD.

ConceptDraw Solution Park is an online collection of visual solutions for knowledge workers designed to provide productivity increasing solutions for all ConceptDraw products. ConceptDraw Solution Park contains many subject areas for professional applications. It delivers solutions for Project Management, Business Productivity, Universal Diagramming and Collaboration.

ConceptDraw Office v3 is an integrated set of visualization products and document exchange technologies. ConceptDraw Office consists of a diagramming platform, a mind mapping tool, and a project management tool. These tools are essential to generate business diagrams, mind maps, project plans, dashboards, presentations, schematics, and any other business visualizations.
