

Unkilled game has been downloaded 3 million times in first 10 days

Published on 09/24/15

Just 10 days after the start of the zombie apocalypse in NYC, 3 million gamers spent an unbelievable total of 1000 years playing Unkilled game missions. Unkilled brings a new level of fun with MADFINGER Games' characteristic breathtaking graphics and addictive gameplay. Gamers can experience an exciting adventure played out in New York City, supported by a complex storyline clearly illustrated on the game map, a well-stocked weapon shop, many upgrades for weapon leveling and much more.

Brno, Czech Republic - MADFINGER Games continues to maintain its legendary status with consistent praise and the high ranking of its games in app communities. Just 10 days after the start of the zombie apocalypse in NYC, 3 million gamers spent an unbelievable total of 1000 years playing Unkilled game missions.

Unkilled is mainly a beautiful, smooth, 1st person shooter action with a unique MFG controlscheme for mobile devices tried and tested by millions of players. The Autofire shooting system lets player concentrate on the action. In addition, the game supports multiple gamepads. In whole, gameplay provides an amazingly long storyline with more than 100 missions, many unique enemies supported by special bosses, a diverse and huge arsenal of weapons, and unique allies to help player to survive and succeed in mission quests.

Nearly an entire millennium's worth of gameplay time by the players of Unkilled have brought forth these impressive game statistics:

1.5 billion zombies killed in dangerous streets of New York
55 million missions accomplished by brave fighters against zombie apocalypse
500 million rockets fired and saved thousands of innocent civilians
865 accomplished missions - a record set by a single player
100 million gold coins given away - that's the equivalent of \$1.1 million in real U.S. dollars

The legendary creators of acclaimed mobile games would like to thank to all gamers for the best apple store and google play rankings. To ensure future millennia of fantastic Unkilled gameplay, MADFINGER Games are working hard on amazing new features for upcoming updates.
