Manila, Philippines - Welcome to Choo Choo Boo! Choo Choo Apps today is proud to announce the release of Choo Choo Boo 1.0.0, a Halloween themed educational app for children developed exclusively for iPhone, iPad and iPod touch devices. Choo Choo Boo is all about inspiring creativity and encouraging discovery among children. It starts with a black and white scene of a neighborhood and every child can make the scene come to life by colouring all the different elements and Choo Choo characters. Enjoy the trick or treat activities with the funny characters that live in the village. Each house presents a unique surprise!

Crayon Rack:

Touch the crayon button and a set of 14 crayons appear at the right side of the screen which your child can use to colour every element in the scene.

Object Rack:

Touch the Choo Choo box button and an additional set of objects contained in a rack shows on the left side of the screen. Don't want an object in the scene? Just drag it on the rack to remove it. Want to add another Choo Choo character? Just drag a new character from the rack to the scene.

Capture your child's masterpiece:

Touch the camera button anytime to capture a screenshot of your child's work and save it in your device's Photos library.

Colour the Title Screen:

Yes! Even the Title Screen can be coloured, too!

Device Requirements:

- * iPhone, iPad, and iPod touch
- * Requires iOS 6.0 or later
- * 8.3 MB
