

Graphic Node Revamps Its Template Collection for iWork

Published on 11/04/15

Graphic Node today announces Bundle for iWork 4.0 for OS X, a freshly revamped application previously marketed as Set for iWork. Bundle for iWork carries an impressive selection of designs, with over 2,000 unique designs for Pages documents, 270 spreadsheet templates for Numbers, 116 slideshow themes for Keynote, and 1,170 images for illustrating users' content. Beside the new name, this version will feature over 400 previously unreleased designs, and full support for OS X El Capitan.

Sakiai, Lithuania - Graphic Node, a graphic design company that specializes in creating themes, templates, and illustrations for OS X, today introduces the freshly revamped Bundle for iWork app, which was previously marketed as Set for iWork. Beside the new name, this version will feature over 400 previously unreleased designs, full support for OS X El Capitan, and a price drop from \$49.99 to \$39.99.

After the latest update, Bundle for iWork carries an impressive selection of designs: over 2,000 unique designs for Pages documents, 270 spreadsheet templates for Numbers, 116 slideshow themes for Keynote, and 1,170 images for illustrating users' content. They cover everything from brochures and business cards to vacation planners to photos and 3D objects. All templates are available in the US and international paper sizes.

"This is our key product for iWork, so we pay special attention to making it indispensable for our users," says Jolita Unguvaitiene, Graphic Node's general manager. "Apart from the new content and the lower price, we have made some interface improvements and redesigned the icons of all the different sets include."
