

Award Winning Astronomy Guide Star Walk Kids Comes to Apple TV

Published on 11/05/15

Vito Technology today announces Star Walk Kids specifically for Apple TV running tvOS, Apple's all-new operating system. Designed for kids aged 4-8, Star Walk Kids introduces youngest audiences to the wonders of our Universe. The app features hand-picked information to inspire children to learn about space. It is the first child-tailored app based on the company's best-selling educational portfolio that has surpassed 10 million downloads to date.

Alexandria, Virginia - Vito Technology today launched Star Walk Kids specifically for Apple TV running tvOS, Apple's all-new operating system, based on Apple's iOS. Star Walk Kids is now available to users directly through the new Apple TV App Store(TM). Star Walk Kids is the first child-tailored app in company's best-selling educational portfolio that has surpassed 10 million downloads to date. Designed for kids aged 4-8, Star Walk Kids introduces youngest audiences to the wonders of our Universe.

Star Walk Kids features hand-picked information to inspire children to learn about space. Browsing across the sky with live motion tracking, the young users can tap on any object they find to learn its name, size relative to the Sun, distance, and what it is known for. Selected objects are explained in short animated films voiced by professional actors. Users will learn what Polaris is, how to find it on the night sky, and how to determine cardinal directions on the spot, and much more.

Features:

- * Narrated educational cartoons and fun facts
- * Live motion tracking to find out what stars are above you at the moment
- * Time Machine to speed up the time and see how celestial objects move
- * Colorful setting and simple controls

Privacy Disclosure:

- * Does not contain 3rd party ads
- * Does not contain in-app purchases
- * Does not contain integration with social networks
- * Uses restricted 3rd party analytics compliant with Children's Online Privacy Protection Act, does not collect any personal information

Language Support:

- * English, Chinese, Dutch, French, German, Italian, Japanese, Korean, Russian and Spanish

Star Walk app that was released back in 2008 and has acquired more than 10 million users across the world on iPhone, iPad, Android, Kindle, and Windows Phone. It's been an educational best-seller for over five years and won multiple awards, including Apple Design Award in 2010.

Pricing and Availability:

Star Walk Kids is available now on the App Store, with an initial launch price of \$2.99 (USD). Available through the new Apple TV App Store.
