

## Introducing iPhone 6s & Plus WalletCase DUO: Leave your wallet at home

Published on 11/10/15

IvySkin USA today announces the all-new WalletCase DUO for iPhone 6s and 6s Plus. Sporting a truly minimalist design, the back pocket WalletCase DUO feature built-in pocket, good for 3-4 of your most used cards, while the full bumper snap-on case offers full protection for iPhone 6s and 6s Plus. Each WalletCase DUO is handcrafted from your choice of 2 different colored leathers held together with heavy duty saddle thread, along with a matching Polycarbonate shell.

Ridgewood, New Jersey - From introducing the first SmartCase(R) to winning the best iPhone case of the year award, the course of iPhone protection and design has long been guided by IvySkin. The all-new WalletCase(R) DUO leads it boldly into a new era. Triple coated and precisely engineered, the all new WalletCase provides the ideal balance of sharp protection and smooth lines. Pressure-sensing power and home buttons with our innovative Direct-TPU system offers quicker iPhone response, crisper hold-grip feel, and high impact control.

Its exceptionally rigid body extensively uses ultra high strength TPU and our signature lining for added protection. Its dual snap bars are fiber-reinforced. Six point advanced Adaptive lining acts as airbags for the iPhone in case of a drop. IvySkin's optional SumoGuard Glass Touch-Thru screen guard completes the all around protection.

Along with a full protective case made of Polycarbonate shell, it features credit card slots pocket for cards, cash and driver's license, all in an ultra slim design.

Available in Jet Black and Raz Red colors.
