

## Foscam Pro iPhone/iPad App updates to 3.911 expands HD camera Support

Published on 11/12/15

Tacoma based Synaptic Edge today announces Foscam Pro 3.911, an update to their popular Multi IP Camera Viewer developed for iOS devices. Foscam Pro is the most feature rich app to take advantage of your Foscam brand IP cameras both HD and SD, as well as other MJPEG cameras. Easily control your camera's motion detection, ftp upload, as well as email and SD features. Version 3.911 adds support for over 20 new HD IP cameras including full two way audio support for audio capable models.
