

## Heart Rate Plus 1.0 introduced for iOS - Free Heart Rate Monitor

Published on 01/07/16

PVDAPPS today introduces Heart Rate Plus 1.0, their new heart rate monitor app developed for iPhone and iPod touch. Heart Rate Plus app will measure your heartbeat with great accuracy, using your iPhone's camera sensor and flashlight by processing the images of your pulse on your finger. Check your heart rate anytime, anywhere with Heart Rate Plus - at your home or your office - when you wake up, relax, before and after exercise, or before a big meeting.

Hanoi, Viet Nam - PVDAPPS today is proud to announce the release and immediate availability of Heart Rate Plus 1.0, their new heart rate monitor app developed for iPhone and iPod touch. Heart Rate Plus app will measure your heartbeat with great accuracy, using your iPhone's camera sensor and flashlight by processing the images of your pulse on your finger.
