

Aleratec Announces Mac Support for 1:22 Copy Cruiser Mini USB Duplicator

Published on 02/29/16

California based Aleratec Inc. today announces a new software update for the 1:22 Copy Cruiser Mini that now allows compatibility with Mac OS X computers and laptops in addition to Windows 10/8/7/Vista platforms. Designed for busy road warriors, educators, trainers, and IT professionals alike, the 1:22 Copy Cruiser Mini clones up to 22 thumb drives simultaneously and includes many of the advanced technologies of Aleratec's larger USB flash drive duplicators in a compact and portable package.

Chatsworth, California - Aleratec Inc., award-winning designer, developer and manufacturer of Portable Device Management (PDM) charge/sync products for mobile devices and professional-grade duplicators for hard disk drives, USB flash drives and DVD/CD discs, announced a new software update for the 1:22 Copy Cruiser Mini that now allows compatibility with Mac OS X computers and laptops in addition to Windows 10/8/7/Vista platforms. Responding to requests from customers who use MacBooks and iMacs to distribute information via USB thumb drives, the new software will be included with all 1:22 Copy Cruiser Mini duplicators and Upon verification, existing customers who already own an eligible Aleratec USB duplicator can also receive the new software update at no charge by contacting Aleratec customer support at (818) 678-0484.

"While the Windows platform still dominates in the workplace, we've seen a growing number of customers using Macs," notes Perry Solomon, Aleratec President and CEO. "Our 1:22 USB Copy Cruiser Mini is a powerful USB duplicator and we want to provide its robust options to Mac users as well."

The 1:22 Copy Cruiser Mini, a computer-connected USB duplicator, clones up to 22 thumb drives simultaneously and includes many of the advanced technologies of Aleratec's larger USB flash drive duplicators in a compact and portable package. Designed for busy road warriors, educators, trainers, IT professionals and others who regularly use flash drives, the 1:22 Copy Cruiser Mini makes perfect copies of flash drives quickly and includes proprietary Aleratec Software to simplify the copying process. Features include the ability to:

- * Duplicate bootable flash drives from image files
- * Duplicate directly from image files or flash drives
- * Copy selected files and folders from PC or Mac hard drives
