

Dinos Online 1.1 released for iOS/Android - New Mobile Dinosaur Game

Published on 03/25/16

1Games today announces Dinos Online 1.1, its new mobile game developed for iOS and Android devices. In this action adventure game, players must hunt enormous kinds of dinosaurs and living things, as well as protect their tribe from the threat and attacks of other tribes. The combat is focused on one of four tribes, Velociraptor, Dilophosaurus, Compsognathus and Oviraptor. Run, find and hunt a prey to survive to grow faster and more strongly than other dinosaur tribes.

Seoul, Korea - 1Games today is pleased to announce the release of Dinos Online 1.1, its new mobile game developed for iOS and Android devices. Dinos Online is in the Game category and can be downloaded from the App Store and Google Play store or through the company website. The game reviews are very favorable, with a current rating of 4.3 with a total of more than four hundred review to date.

Dinos Online requires that a player be a strong dinosaur and with the instinct of dinosaurs, attack and hunt without halt. The combat is focused on one of four tribes, Velociraptor, Dilophosaurus, Compsognathus and Oviraptor. The purpose of the action adventure game is to hunt enormous kinds of dinosaurs and living things, as well as protect their tribe from the threat and attacks of other tribes.

Players can enjoy hunting in the map that has over 13 various characteristics and geographical features. For example, if players succeed in hunting Kingkong in the King Kong Field, players will receive a Tyrannosaurus pet as a reward. They can then fight all dinosaurs, regardless of tribes, and only in the Colosseum.

In the Sky Land, players will turn into a gorilla if they eat a dead alien beings. In the Black Hole region where a meteor has dropped, players can meet huge monsters that have appeared in the 4Force Online game. If new players die several times in the beginning of the game, they will be transformed into a huge different dinosaur for each tribe. Players can summon the dinosaurs of their own tribe through the summoning function.
