

Macgo Blu-ray Player Mother's Day Promotion 2016

Published on 05/01/16

Macgo Blu-ray player is on promotion for Mother's Day. It provides the warmest gift for mothers. The promotion includes both Macgo Mac and Windows Blu-ray players. During Mother's Day promotion, each license for Macgo Windows Blu-ray Player only cost \$29.95 instead of the original \$59.95. The price of Mac Blu-ray Player is also cut from \$59.95 to \$39.95. With more products you purchase, the less price for each Blu-ray player you can get.

Hong Kong, China - Have you decided on which gift to buy for your beloved mother on Mother's Day yet? If not, Macgo can help you find the best choice by giving a huge discount on Blu-ray players. This time the promotion cut over 50% off just to encourage you to thank your mother for all her unconditional love with a special gift. Around Mother's Day your mothers can get the most satisfying gift with the least price you need to pay.

Macgo Mac Blu-ray Player is the first Blu-ray player for Mac OS X that has official certification in the world. Both of Mac and Windows Blu-ray players can play multiple kinds of videos. On Mother's Day, the whole family can sit together enjoying a nice movie with the Blu-ray player which can provide the most real scene. During Mother's Day promotion, each license for Macgo Windows Blu-ray Player only cost \$29.95 instead of the original \$59.95. The price of Mac Blu-ray Player is also cut from \$59.95 to \$39.95. And that is not the biggest discount. With more products you purchase, the less price for each Blu-ray player you can get.
