

JoyBits' Award-Winning Doodle Devil Series Launches New Game

Published on 05/06/16

JoyBits LTD today announces Doodle Devil Blitz 2.5.7, an important update to their popular game title for iOS devices. Discover the seven deadly sins and watch as the world crumbles at your fingertips as you create thousands of dastardly deeds. Combine fire, earth, wind & air to create demons, beasts, zombies and much more. Being bad has never been so much fun! Version 2.5.7 offers new languages, new games modes, new puzzles and more.

San Francisco, California - JoyBits LTD, a leading publisher and developer of interactive entertainment, today is proud to announce that the element-combining and devilishly fun-all-ages puzzle title, Doodle Devil Blitz (TM) is now available for the iPhone and iPad via the Apple App Store. JoyBits also announced that its award-winning Doodle Series of games comprised of Doodle God(TM), Doodle Devil(TM), Doodle Farm(TM), Doodle Kingdom(TM) & Doodle Creatures(TM), have been downloaded by users more than 180,000,000 times in over 150 countries.

To celebrate the monumental milestone the all-new Doodle Devil Blitz offer gamers worldwide new game modes and new content. Doodle Devil Blitz(TM) comes packed with new features including: "Demon Battle" mode, new puzzles and quests, "Devil Slots" and 13 language support. Doodle Devil Blitz will provide players globally with countless hours of puzzle-solving delight and dastardly deeds.

In the new "Demon Battle" mode players engage in combat with up to 9 different Demons with each Demon possessing different abilities to lay waste to their rivals. As players progress through the game they unlock Demons they can then fight. But be careful, one false move will spell doom.

"If you love Doodle God embrace the darkness with Doodle Devil Blitz," said JoyBits CEO, Paul Baldwin. "The new puzzles, quests and "Demon Battle" mode offers gamers a fresh new twist to the award winning Doodle series!"

While Doodle God was busy creating the universe, Doodle Devil was also having some fun. The same addictive, puzzle game play that made Doodle God a hit is back but with an evil twist. Discover the seven deadly sins and watch as the world crumbles at your fingertips as you create thousands of dastardly deeds. Combine fire, earth, wind & air to create demons, beasts, zombies... and much more. With Doodle Devil Blitz, being bad has never been so much fun!
