

Macphun offers a 93% discount with its new Creative Kit XXL bundle

Published on 05/10/16

MacPhun today launches Creative Kit XXL, a bundle of MacPhun's 6 award-winning photo editing applications, combined with more than 40 various e-books, training materials, presets and photo-related apps, saving buyers 93% of the regular price. The bundle contains Macphun's 6 best-selling apps, including Noiseless, Intensify, Tonality, Snapheal, Focus and FX Photo Studio. The Creative Kit XXL bundle is meant to meet every need of even the most sophisticated photography fan.

San Diego, California - MacPhun, a headliner software developer in a photography industry, today is proud to announce the launch of Creative Kit XXL, a bundle of MacPhun's 6 award-winning photo editing applications, combined with more than 40 various e-books, training materials, presets and photo-related apps for only \$129. With an original retail value of \$2000, Creative Kit XXL buyers save 93% of the regular price.

The bundle contains Macphun's 6 best-selling apps, including Noiseless, Intensify, Tonality, Snapheal, Focus and FX Photo Studio. These apps have already established a strong presence among photography enthusiasts, equipping them with a vast arsenal of noise-reduction tools, color enhancement editors, filters and much more.

Over 40 e-books, including the famous: Behind the Image video guide by Ted Gore, The lighting Guide by Red Leaf Studio, The Complete Photography Bundle by Mikko Lagerstedt. To top it off, the buyers get 6 more photo applications and special deals, among which are: Crazy Talk 7 by Reallusion, partner discounts for Skillshare, Peak Design and more. Creative Kit XXL bundle is meant to meet every need of even the most sophisticated photography fan.

Pricing and Availability:

Creative Kit XXL costs \$129 (USD). The offer is limited in time and is available through May 31st, 2016. MacPhun has unified the best-selling tools with the most-wanted educational and entertainment materials every photo admirer can appreciate, bringing it all into Creative Kit XXL.
