

FourChords Guitar Karaoke - Play Guitar Instantly With Free Trial

Published on 05/19/16

Musopia Ltd today announces FourChords Guitar Karaoke 2.1, an update to their popular Guitar Karaoke app developed for iOS devices. Using the Fourchords app, budding guitarists can quickly play their choice of more than 1500 songs, whether they be rock, metal, country, jazz, pop or traditional. This innovative app has been designed to be the fastest way to learn to play the guitar without the need to read music or know any theory. Version 2.1 offers overall improvements and bug fixes.

Helsinki, Finland - Musopia Ltd today is thrilled to announce the release of FourChords Guitar Karaoke 2.1, an update to their popular Guitar Karaoke app developed for iPhone, iPad and iPod touch devices. Many people would love to learn to play the guitar and take part in all the fun. Using the Fourchords app, budding guitarists can quickly play their choice of more than 1500 songs, whether they be rock, metal, country, jazz, pop or traditional. Tracks from One Direction, Adele, Coldplay, Iron Maiden, Johnny Cash, Oasis and The Beatles are available, with more being added every week. Imagine downloading the latest hit from your favorite artists and playing it with your friends minutes later; picture their reaction!

"With FourChords we want to get people playing, and enjoying, music as quickly as possible," said Paula Lehto, CMO of Musopia. "The app breaks down popular songs from all genres into four simple chords, displaying them in a karaoke style. This Instant Play Method™ is a fast-track to the fun part of playing." The latest version of Fourchords, the only guitar app with the Instant Play Method™, comes with:

- * Simplified chords for every song
- * Easy Strum patterns
- * Adjustable Tempo control
- * Karaoke style lyrics
- * Improved visuals
- * Three different skill levels
- * New Learning badge system
- * Helpful videos from www.JustinGuitar.com
- * Added support for iOS 9 devices, Bluetooth speakers and headphones
- * Bonus - Free chromatic guitar tuner

It can be easy to be discouraged when learning to play the guitar. Not anymore! Fourchords is a fun, fast, flexible digital personal guitar teacher in your pocket, which will have you playing guitar in minutes. With overall improvements and bug fixes, version 2.1 offers a new and improved way of discovering songs from its 1500+ song library.

Device Requirements:

- * iPhone, iPad, and iPod touch
- * Requires iOS 9.0 or later
- * 101 MB
