

Bla Bla Box allows Children to Write, Read, Spell and Learn any Word

Published on 05/24/16

Marbotic has released Bla Bla Box 1.0, their sixth iOS app. Bla Bla Box is an awesome sandbox to write words in a colorful way and start reading. Inspired by the Montessori method and developed with schoolteachers, little kids discover the sounds of letters and can write their first words and their name. Older ones learn to write and read any word in the world. This app is designed for children from 3 to 7 years old and is already available in 5 languages.

Bordeaux, France - Marbotic has released Bla Bla Box 1.0, their sixth iOS app. Bla Bla Box is an awesome sandbox to write words in a colorful way and start reading. Inspired by the Montessori method and developed with schoolteachers, little kids discover the sounds of letters and can write their first words and their name. Older ones learn to write and read any word in the world. There is no limit in Bla Bla Box!

Bla Bla Box in an app which allows children to:

- * Discover letters sound
- * Create syllables and words
- * Start learning to read

This app is designed for children from 3 to 7 years old and is already available in 5 languages, including English, French, Spanish, German and Dutch. This app can also be played with an amazing connected toy: Smart Letters. This set of 26 connected wooden letters allows children to manipulate tangible objects, and this way, help them to learn best.

Innovative Smart Letters & Smart Numbers:

Marbotic's Smart Letters & Smart Numbers are connected toys that allow children to interact with supported iPad apps via athletically pleasing and colourful wooden blocks. Offering real physical interaction in a digital playground, Smart Letters & Smart Numbers are the innovative way to integrate technology & traditional learning. Specifically designed for use with iPad, the blocks are backed with a flexible material to prevent any damage to the device.

Device Requirements:

- * Compatible with iPad
- * Requires iOS 6.0 or later
- * 162 MB

Pricing and Availability:

Bla Bla Box 1.0 is \$2.99 USD (or equivalent amount in other currencies) and available worldwide exclusively through the App Store in the Education category. Promo codes are available to bloggers and journalists on request.

Based in Bordeaux, France, Marbotic is the result of a double passion for pedagogy and technology. The company creates and develops educational apps for children inspired by Montessori pedagogy. They believe that mixing digital interfaces and traditional toys leads to powerful learning experiences. Marbotic created the first wooden smart toys, Smart Numbers and Smart Letters, that interact with tablets. All Material and Software (C) Copyright 2016 Marbotic. All Rights Reserved.
