Kiupe introduces Kilubu Magic Potions 2 for AppleTV and iOS. Kilubu Magic Potions 2 was specially designed by experts to create a great experience for the whole family on AppleTV and iOS. In a playful and quality environment, kids discover 8 missions, each one with a different character who needs help. Then, the child prepares magic potions and helps funny characters with all sorts of silly ingredients. The game enhances critical thinking and his funny environment will get lots of laugh.

Lyon, France - Kiupe today is proud to announce the release of Kilubu Magic Potions 2 (v1.0), a game which enhances critical thinking and deduction. Made for the whole family, Kilubu Magic Potions 2 is now available exclusively on Apple TV, iPad and iPhone with universal purchase. In a playful and quality environment, kids discover 8 missions, each one with a different character who needs help. Using deduction will be necessary to solve all the mysteries happening in the strange village of Kilubu.

Using the remote control on the Apple TV, or playing on the iPad or iPhone, the child prepares magic potions and helps funny characters with all sorts of silly ingredients. With the Magic Book of Spells and some clever investigating, players work with Sacha to make the right potions for people who need their help. Upside down tonic, giggle brew, floating juice... 8 missions and short stories are to be discovered.
