

Skydiving Fever now on Apple TV, Android, Windows 10 Phone and PC

Published on 06/17/16

Texas based developer, Magnin & Associates today introduces Skydiving Fever 1.0, their new game title on Apple TV, Android, and Windows 10 Phone and PC. Previously available only on iOS, Skydiving Fever brings the excitement of skydiving to your Apple TV. Lean and turn your phone or the Apple TV Siri Remote to adjust your movement during free fall, deploy your parachute, and then control your descent and steer the parachute to land as close as possible to the target landing zone.

Farmers Branch, Texas - Magnin & Associates today is proud to announce its popular Skydiving Fever for iOS is now also available on Apple TV, Android, and Windows 10 Phone & PC. Skydiving Fever brings the excitement of skydiving to your Apple TV, Android, and Windows 10 Phone & PC. Lean and turn your phone or the Apple TV Siri Remote to adjust your movement during free fall, deploy your parachute, and then control your descent and steer the parachute to land as close as possible to the target landing zone.

Do a tandem dive with an instructor or a solo drive in varying wind conditions.

Four different types of dives:

- * A tandem dive with an instructor guiding you
- * A solo dive in good weather, little or no wind
- * A solo dive in mild wind
- * A solo dive in strong wind

The game was produced by Ed Magnin, programmed by Willie Johnson, Jr, with graphics by Joe Eisma. Matt Campana created the music and excellent audio effects. According to Ed Magnin, "This game is another example of our continuing commitment, this to the Apple TV, where we can show off the excellent graphics and sound in a larger format." Similarly the Windows 10 version allows play on everything from a Windows Phone to a variety of PC configurations using mouse, keyboard, or even Xbox One controller.

Note: There are currently no direct links to the Apple TV App Store. The Apple TV App Store is currently only viewable from an Apple TV. To quickly locate the game, just open the App Store on your Apple TV and search for either "Magnin" or "Skydiving Fever".

Device Requirements (Apple TV):

- * Fourth-generation Apple TV
- * Requires tvOS 9.0 or later
- * 31.1 MB
