Memorise anything with Purrfect Memory for Mac

Published on 08/02/16

New Zealand based developer, Top Storey Apps today annonces the up and coming release of Purrfect Memory, a new Mac app to help you memorise anything. Purrfect Memory is an unobtrusive but powerful menu bar app for Mac that can help you memorise quotes, verses, facts and languages. The app intelligently gives just enough hints to allow you to recall and reinforce what you are trying to remember. Purrfect Memory will be available 8/8 on the Mac App Store.

Tauranga, New Zealand - Top Storey Apps, an independent educational app company, today is proud to annonce the up and coming release of Purrfect Memory, a new Mac app to help you memorise anything. Purrfect Memory is an unobtrusive but powerful menu bar app for Mac, and can help you memorise quotes, verses, facts and languages. Anything you can type!

* Learn languages, memorise scientific facts, remember inspiring verses or quotes with the dozens of free Memory Packs to inspire you to level up your brain, available for free, on our website
* Designed for Mac: A native Mac app with a beautiful, unobtrusive design
* Adaptable: Level-up your brain - Purrfect Memory intelligently gives just enough hints to allow you to recall and reinforce what you are trying to remember
* Subtle: Purrfect Memory only takes a moment when it's convenient to learn something new, but will stay out of the way when you're focused on getting things done
* Study Scientific Facts by creating your own study cards, or get started with the free Memory Packs available on our website
* Learn a new language! Memorise common and conversational phrases before your next adventure
* Learn the spelling of words by entering a single word

Pricing and Availability:
For a limited time, Purrfect Memory will be offered for $2.99 USD (Reg. $4.99) for our launch celebration. Purrfect Memory will be available 8/8 on the Mac App Store. Learn more at Purrfect Memory online or contact us for a pre-release copy.
