Published on 10/05/16

A leader in ultra slim case design, CAZE today announces its first chrome case - Glozzy for iPhone 7/ 7 Plus. Glozzy is a TPU soft case that is composed of a chromed rim and a clear back. The anodized black Glozzy is designed to match with the new Matte Black & Jet Black iPhone 7. Other colors include pink, gold, and silver; all are designed to match the iPhone 7 in the respective colors. Glozzy features a minimalist design style, without being bulky while offering full protection to the iPhone.

Hong Kong - CAZE, the leader in ultra slim case, has announced its first ultra thin chrome case - Glozzy for iPhone 7/ 7 Plus. Glozzy is a TPU soft case that is composed of a chromed rim and a clear back. The anodized black Glozzy is designed to match with the new Matte Black and Jet Black iPhone 7. Other colors include pink/ gold/ and silver; all are designed to match iPhone 7 in the respective colors. Like all other CAZE's thin cases, Glozzy features a minimalist design style, without being bulky while offering 360 degrees of full protection to your iPhone. Glozzy comes with a free crystal clear screen protector and a wallet size stand for iPhone 7.

With Glozzy, you can now wrap your phone in partial reflection without hiding your Apple logo. The classic soft case melds with lustrous metallic finishing, creating this polished chrome case for the iPhone 7/ 7 Plus. Glozzy covers all edges of iPhone 7, while the inner impact absorbing corners and lining provide added protection. Comprised of a chromed rim and a soft-touch clear back, the chrome case creates a fashionable, dynamic visual offering a mirror-like shine and an amazingly thin profile. Glozzy protects the sides of the iPhone by protruding slightly above the front screen. The camera hole is specially engineered to prevent the new camera on the back from touching a flat surface when laid down. To provide further protection to the iPhone 7, a front screen film is provided.

The new glossy Jet black iPhone 7 is beautifully complimented by the gleaming chrome case. The back of the case is highly transparent so that the apple logo would be properly displayed. Glozzy is lightweight and offers protection for the iPhone without being bulky and cumbersome. It covers the edges and corners of the phone while allowing easy access for volume, mute and charging.

To Chrome your iPhone 7, you can choose from one of these Colors : Black, Pink, Gold and Silver, Aside from the glossy case, you will get a front screen protector, a microfiber cloth and a stand for horizontal viewing of the iPhone 7/ 7 Plus.
