Already featured in the App Store in over 120 different countries, Rock Paper Scissors aims to provide a unique gaming experience in iMessage that can be enjoyed in multiplayer mode with friends. Challenge your friends! Select your opponent, select your moves and send. Now wait for your opponent to respond and check who won.

Bangalore, India - Today, AppYogi Software is proud to announce the release of Rock Paper Scissor 2.0 for iOS, a fun strategy/trivia game for iMessage users. Already featured in the App Store in over 120 different countries, Rock Paper Scissors aims to provide a unique gaming experience in iMessage that can be enjoyed in multiplayer mode with friends.

If you are middle of some decision making with friend or a girlfriend, then this iMessage app will make it easy to take decision without missing conversation. Lets say, you challenge your friend for a coffee at Starbucks. Open iMessage, download the Rock Paper Scissor a fun game for iMessage, select your opponent, select your moves and send. Now wait for your opponent to respond and check who won to get expensive coffee at Starbucks.

Game rules: (if you don't know)

- * Paper wraps Rock
- * Rock smashes Scissors
- * Scissors cut Paper

This game's best-designed user interface encourages you to play numerous times. It is implemented following iMessage guidelines to give you an easy-to-use and lightweight accessory that you will love to have and show off to friends. The current version of the game includes support for iOS devices with different screen sizes like iPhone 5, iPhone 6, iPhone 6 plus, iPhone 7, iPhone 7 plus, iPod touch, iPad, iPad Mini and iPad Pro.

System Requirements:

- * iPhone, iPad, and iPod touch
- * IOS 10.0 or later
- * 5.3 MB

Pricing and Availability:

Rock Paper Scissor 2.0 is available worldwide exclusively through the App Store in the Games category inside both the Strategy and Trivia category sections. The game is priced at \$0.99 (USD), alternative pricing for different locations.
