

Mighty Mighty Good Games releases Whirly Word 1.0 for iPhone/iPod touch

Published on 10/15/09

Mighty Mighty Good Games has released Whirly Word 1.0 for iPhone and iPod touch. Whirly Word comes with over 5,000 puzzles, multiple color schemes, score tracking, and background music and sound effects that can be turned off so you can listen to your iPod while you play. Solve the puzzle instantly by finding the six-letter word or step up to the challenge of finding all possible words with the letters given.

Woodinville, Washington - Mighty Mighty Good Games Presents An All New Word Game On Apple's iPhone and iPod Touch. From the makers of the most popular Sudoku games on the iPhone and iPod Touch comes a new whirl on word games! Have fun with anagrams; no really, words can be fun!

How many words can you discover from six letters? Solve the puzzle instantly by finding the six-letter word or step up to the challenge of finding all possible words with the letters given. Whirly Word comes with over 5,000 puzzles, multiple color schemes, score tracking, and background music and sound effects that can be turned off so you can listen to your iPod while you play.

The large buttons and sensible design allow you to get lost in puzzles for hours. Or take a quick break from your daily routine to play for just a few minutes. This game is smart and remembers right where you left off. Our puzzles use words that you will recognize. So challenge your vocabulary prowess and play until you win!

System Requirements:

* iPhone or iPod Touch 2.0 or later

Pricing and Availability:

Whirly Word is only \$0.99 (USD) and available exclusively through the App Store in the Games category. Screen shots and details about Whirly Word are available online at Mighty Mighty Good Games website or through the Apple App Store and iTunes.
